Free to green keepers and others who desire the latest information on the building of a new Club Green or renovating an old lawn.

We quote Special Prices to Clubs, Institutions, Parks and others who require seed in large quantities.

LAWNS AND GREENS

It is most important that the lawn should be sown with a mixture of grass seeds especially adapted for the purpose required. A mixture suitable for a Park or Golf Course would be quite unfit for a private lawn, Bowling or Putting green. All the finest grasses that are most suitable for the formation of a lawn when grown for seed, produce very much less weight of seed per acre than do the coarser growing varieties, consequently the cheaper the mixture the coarser the turf. We maintain that the finest dwarf growing grasses are the most economical even for large areas, as the turf formed by the dwarf compact habit of the finest grasses requires to be mown only about half as many times as a turf formed of coarser growing varieties.

The CITY DIRECTORY is the Only Medium Published for Complete Information

REGARDING:—

**FIRMS, INDIVIDUALS, FRATERNAL ORGANIZATIONS,
SERVICE CLUBS, LOCATION OF STREETS, ETC.,
BECAUSE IT CONTAINS:**

STREET GUIDE—

For those planning routes, deliveries, sales campaigns, etc., this section is invaluable. The names of business places and householders are listed, giving street number of each.

The starting points of all streets, also the intersections are shown. This last feature enables strangers and those not familiar with the streets to easily locate people (after having found the address, etc., in the Alphabetical section).

ALPHABETICAL SECTION—

The names of ALL (except wives) over 18 years of age appear in this section. **THE CITY DIRECTORY IS NOT JUST A LIST OF SUBSCRIBERS OR HOUSEHOLDERS ONLY, but CONTAINS THE NAME OF EVERY ONE OVER THE ABOVE MENTIONED AGE** which could be obtained by an Actual HOUSE TO HOUSE AND BUSINESS TO BUSINESS CANVASS.

Not only the name appears but also the address and **OCCUPATION** in the case of each individual and the **NATURE OF THE BUSINESS**, in the case of each firm.

The status of the individual is noted—that is if the person is a householder the letter (h) is used, if a boarder (b), roomer (rms), thus adding to the value of this section.

CLASSIFIED SECTION—

This contains a list of all the business places under their business headings. It is of great assistance to those trying to locate firms or business men whose names they do not know. It pays to be properly classified.

IT IS OFTEN THE LINK BETWEEN BUYER AND SELLER.

This, too, is not just a list of subscribers but contains the names of every business place, etc., in the city. A charge is made for extra classified headings and progressive business men realizing the need of having their firm name and products known, use this means of advertising their business.

MISCELLANEOUS SECTION—

Here can be found the names of Federal, Provincial, County, and Civic, Officials, Institutions, Fraternal Organizations, Service Clubs, Schools, Churches, Public Buildings, etc.

NO OTHER PUBLICATION CONTAINS the Combined Features Mentioned Above.
